This certificate is issued by the undersigned, being an individual compliance certifier authorised by WorkSafe New Zealand under regulation 6.8 of the Health and Safety at Work (Hazardous Substances) Regulations 2017, in accordance with regulation 6.8(2)(a) to (d) of those regulations.

This certifies that the requirements prescribed in regulation 6.36 for an outdoor pyrotechnic display compliance certificate have been met by the outdoor pyrotechnic display specified above.

Statements: All exclusion zones to be secure and no public access prior to firing.
HazSubs may inspect display prior to firing. All notifications must be applied for and approved including and not limited to: Fire agreement, CAA Notem, Land Owners permission. Exclusion distances must be met for all types of pyrotechnics and wind limits as per Regulations. All captive animals have been removed from surrounding fields by at least the required distances as per detailed distances within the regulations.
