Lakeview | Taumata - www.lakeview.nz

We are very grateful that the first stages of Lakeview | Taumata have been referred into the Government's expert consenting panel for consideration under the Fast Track Consenting Act 2020. This decision allows our team to speed up the delivery, creating sorely needed jobs in the Queenstown region and bringing housing supply to market quicker.

Lakeview | Taumata will be a world-class residential, hospitality, and retail precinct planned as an expansion to Queenstown's CBD. The carbon conscious precinct will be the largest mass timber project in New Zealand, creating a new standard for development.
